

## Karmic Purpose

*What new talents are you growing into in this lifetime?*

Your Karmic Purpose is determined by where the North and South Nodes fall in your chart. The South Node shows the path or 'shell' you were born with, which is comforting, but eventually becomes a bit stifling. The North Node shows the 'shell' that you're meant to grow into, even though at first it may seem a little overwhelming and out of reach.

 South Node       North Node

*Find the glyphs above in your chart and then fill in the following sentence to find out your personal Karmic Purpose.*

"I came into this life having an innate talent (  ) for

fill in with keyword for House / Set \_\_\_\_\_ through

fill in with keyword for Sign / Prop \_\_\_\_\_, but now am

learning how to evolve into my untapped talents (  ) of

fill in with keyword for House / Set \_\_\_\_\_ through

fill in with keyword for Sign / Prop \_\_\_\_\_, so as to

fulfill my soul's Karmic Purpose."
